ABOUT

Knyght Ryder is a five-piece live band from Long Beach, California, playing all genres of the 80s, 90s, and 2000s. Every note is played and sung live by real people. The band has been together since 2002 and has played more than 1,700 shows.

They have played 22 dates as the opening act for George Lopez, including Radio City Music Hall, Boston's Wang Theatre, the Warfield and the Santa Barbara Bowl. No two sets are the same: clients pick the songs they want and the ones to skip, and the band writes the rest for the crowd in front of them.
